# King of Kings

(Chapter 2)

ONE MOMENT LATER...

I'd expect nothing less from the hideout of the King of Pirates.

It'd do no good if we could just wait in there.

Michael

There are a lot of carnivorous gladiators around here.

Please be careful, Kazuhis-sensei.

ONE MOMENT LATER...

Hazel!

Hazel!  
Are you  
all right?!

Ah-  
chan.

Ash Lewis  
Don't...

about  
anything he  
knows about  
"Hazel and  
Gretel."

Damn!

What?!

I'll take Hadid  
as my trophy  
today and  
string him up!

I will return  
tomorrow

*If you want  
Hadid back,  
bring me the  
two pieces of  
the Stone of  
the Seal*

*If you did  
anything  
that harmed  
Karel, I'd  
kill you!*

*Stop it!*

*Jules!*

*I warned  
you, didn't  
I?*

I'M THE  
ONE WHO'S  
REALLY  
SHAKEN  
BY THIS

And so what?  
Even if you kill  
me, will that bring  
Hadii back?

Or do you really  
think the enemy will  
suddenly change  
its mind and let  
Hadii go?

BY GENZO

WHY DID HADII  
PROTECT ME...?

Now,  
now, let's  
all calm  
down...

You're  
wasting  
your breath  
on this  
pointless  
topic!

If you're  
really worried  
about Hadii,  
then do  
something  
constructive!

Now  
brick...

He also had  
gray eyes, long  
eyelashes, and  
a really mean  
face...

Do you  
know  
the  
guy?

Now  
that you  
mention  
it, he  
did!

Curly  
golden  
hair and  
pale white  
skin...?

That guy  
wouldn't  
happen to  
live...

I'll kill  
him! I'll  
kill him!  
We'll kill  
him...

Of course  
I do! That  
bastard  
thru...

Christopher  
Lawler

I can't  
believe  
he's still  
alive!

Wow-ow,  
Bet!

Huh?

Be-  
cause

It's no mystery why  
he went off  
the fact when  
he figured out  
who we're  
dealing with

that is the  
man who  
killed who  
Her's Family?

Now that  
you say that,  
I suddenly  
remember Hachi  
talking to me  
about something,  
but I didn't  
understand  
what

What happened  
between you  
guys and that  
Christopher  
person?

Oh, really?

How about?

I'll tell you  
in an all the  
details!

Kawaii!

I originally  
came to find  
Radio to discuss  
some important  
matters with him

But after  
overhearing your  
conversation just  
now, it sounds like  
things are a bit  
complicated

She's just like us, pirates who don't belong to any country. But she is also the one and only female pirate captain I know of.

Who is she?

Some people say that she's Harid's rival, and some say that she's his lover.

Actually, Christopher used to be Harid's partner.

And of all the businesses he got himself into, he had to choose the one Harid hated most, which was...

But he broke the rules and privately started his own wine business.

I do believe that your new members of the crew have not heard about Christopher.

Since I'm one of Harid's closest friends, allow me to fill you in on all the details.

Those who  
resisted  
were all  
mercilessly  
killed.

Under  
the large  
national  
rains, the  
forcefully  
took  
people's  
children.

the slave  
trade.

I'm not  
cold-hearted,  
so I'll leave  
the gun  
with you.

When you can't  
bear it any  
longer, use  
it to finish  
yourself off!

CHRISTOPHER  
WAS SEVERELY  
PUNISHED FOR  
BREAKING THE  
PIRATES' CODE.

*Christo-  
pher...!*

HIS RIGHT ARM  
WAS MANGLED,  
WITH NERVES  
SEVERED, AND  
THEN HE WAS  
LEFT TO ROT  
ON A DESERTED  
ISLAND.

It will be  
a one-way  
trip to your  
grave!

Listen, if we  
meet again in  
this life...

Shit!!

Forever!!

AFTERWARDS, HADIS'S  
SHIP WAS DOWN ONE  
CREW MEMBER BECAUSE  
OF CHRISTOPHER, AND  
HAN TOOK HIS PLACE.

SINCE THEN, HIS  
NAME HAS BECOME  
FORBIDDEN TO  
SPEAK ON THIS SHIP.

SHY: COURT

But I think the  
ones most in the  
dark are the crew  
of this very ship.

That he would  
become one of The  
Brue's men, I'm  
sure you all are  
very surprised!

Then why  
are you  
here?

and they do  
it so that  
they can get  
the "Stone of  
the Sea"

Anyone who's a  
pirate knows that  
The Brue collects  
the worst of the  
pirates for their  
privileges,

*Of course I'm  
also here for  
the "Stone of  
the Sea"!*

*Now  
hand it  
over to  
me!*

*With Hadid  
gone, this is  
my chance  
to take it!*

Kazuki,

let me take  
Hadid's place  
and make a  
deal with you!

I know Hadid's  
and Princess  
Miriel's places  
are both here!

So I'm  
warning you,  
give them to  
me obediently  
and I'll con-  
sider letting  
you live!

Careful  
everyone, don't  
underestimate  
Kazuki!

Wait!

Go...!

The only one  
to ever stand  
up to me in a  
fight and live  
to tell about it  
is Hadid!

*Minori!*

Right now, the  
most important  
thing to do is to  
rescue Heiichirō.

If you help us,  
I'll give the  
pieces to you.

*100*

That  
sounds very  
interesting,  
princess.

Is that so?  
Or do you  
not care  
about your  
reputation?

But I feel  
that this deal is  
unnecessary as  
I can take them  
from you right  
now!

Were you so afraid of Haddi that you didn't dare do anything until he was gone? I wonder if you could still be called a pirate after this?

My reputation?

Fine, the deal is made!

But before we make the deal,

you have to fight and win against me first, Haddi!

Kazuki-sama!

To make it fair,  
I'll use my bare  
hands. As for  
you, I'll lend this  
dagger to you!

The first  
person to die  
or surrender  
is considered  
the loser.

Fine, I  
accept.

If she dies,  
at least it'll  
cure her of  
her stupidity!

Don't inter-  
fere!

Hey, if  
we don't  
stop them...

AHH....!

I really  
hate all you  
princess  
types!

You all think  
that ordering  
people around  
and having them  
do things for  
you is to be  
expected.

Now beg!  
You never know,  
maybe I'll be in  
a good enough  
mood and let  
you go!

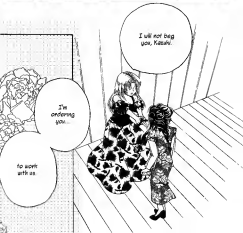

See how  
fast I can  
take you  
down.

Now beg  
me to  
release  
you!

WHAT?

*Didn't think  
you had  
the guts  
to do that!*

*Well  
done,  
Miria!*

*You really  
surprised us!*

*You are the  
woman who  
stood on the  
ship mast to  
make a deal  
after all!*

*I'm all  
right!*

*You're  
a woman  
to be  
reckoned  
with...*

*MY  
HEART...*

...IS THAT ALL?

That's right.  
What is  
"Hound and  
Grat" all  
about?

Well...  
It's a story  
about a very  
quick-witted  
boy. He threw  
bread crumbs...

I CAN FEEL WITH MY  
SIGHT THAT I AM  
ALONE UNDERNEATH  
THIS VAST SKY,  
ABOVE THIS GREAT,  
BOUNDLESS OCEAN.

What?!

Could it be...

But I'm telling  
you right now  
I don't have any  
secrets to tell!

So how  
about it?  
Still want to  
question  
me?

WILL CORADO

I'm very sorry  
to tell you, but I  
don't really want  
to hear about  
any secrets  
from you

I'm only  
doing this so  
I can take  
my revenge!

I don't think  
you really  
understand...

*And that  
despair from  
thinking of  
using that  
gun on myself  
countless times  
because I was  
so famished  
and thirsty!*

*...what  
I went  
through then!  
How angry  
and how  
pained  
I felt!*

Ever since  
that God-given  
miracle, it has  
made me want  
to live!

If Ike Brue's  
ship hadn't found  
me, I would've  
died there...

Hahaha! I  
guess God  
must've  
wanted  
to see...

The day that  
Ike Brue would  
ruin the world  
with my help!

Between  
God and  
Ike Brue,

do you really  
think that  
God is happy  
to see this?

Chris-  
tian,

whose  
savior  
do you  
still want  
to be?

Paul

*Without anyone's permission, do you think you could stake your claim on a piece of land?*

*Without anyone's permission, do you think humans can stand on top of other humans?*

*I'm sure the guy who claims the land in the end will be happy to feed you some leftovers!*

*Intruders, Christopher-sand!*

**HADID!**

*What?*

HOW..... HOW  
COULD THIS  
HAPPEN?!

It's Heide's crew! They're  
already at our heels!

MIRIEL,  
NOW!

HEY,  
YOU...!

...Then what  
is your next  
step, Radid?

This ship  
has been  
completely  
taken over  
by us

Since  
we're here  
already,

That's  
right...

why don't  
we sail over  
to like Brue  
and take that  
last piece of  
the "Stone  
of the Sea"  
from them!
